

TREFONEN C. E. PRIMARY SCHOOL

**Critical Worker Childcare Request: For the weeks beginning
20/04/20 and 27/04/20**

Critical Worker Update 4th April 2020

To all of our Critical Workers,

Trefonen School would like to thank you for the amazing work that you are doing for our country and our community in supporting the Covid-19 Response Strategy and helping to keep us all safe. We will continue to provide you with as much support as we can, so that you can get on and do what you need to do.

We will re-open our Trefonen Critical Worker Childcare Hub on Monday 20th April.

The number of children that we can accommodate within the Trefonen hub will be based on our risk assessment of available workers (including first aid and safeguarding staff), ensuring social distancing within the available workspace and our ability to carry out daily deep cleaning within a confined area of the school, whilst still ensuring that we have sufficient capacity to provide the necessary support to all of our home-learners too.

We currently anticipate providing placements for up to 8 children after the Easter holidays. Should demand exceed capacity, we will give priority to the children of front-line NHS staff and those directly involved in food service delivery. We understand the difficulty and frustration that many parents will be experiencing in trying to manage your own remote working duties, whilst also trying to take care of your children. However, we will continue to advise you to keep your children at home wherever possible, they are safer there!

Please submit your childcare requests on the form below and forward it to us on parentcontact@trefonen.shropshire.sch.uk.

We will let you know if your request for a placement has been approved. Please remember that your request will not be assessed on a first come, first served basis, but based on higher need as detailed above.

Take care and stay safe
