

## TREFONEN C. E. PRIMARY SCHOOL

---

### **A very warm welcome to our new children and parents!**

It gives us great pleasure in welcoming you to Trefonen School.

When you start in reception in September you will be a pupil in our **Robins** class. Until that time you will be part of our '**Sparrows**' team.

We will be posting lots of information on this page to help welcome you to our school and ensure a smooth transition from pre-school to primary school.

We will also be setting some 'Trefonen Transition Tasks' on this page over the next few weeks that you may wish to complete during the summer months.

We would love to see what you do and it would be wonderful if you could take a photograph of your tasks and email them to [parentcontact@trefonen.shropshire.sch.uk](mailto:parentcontact@trefonen.shropshire.sch.uk)

With Kindest Regards,

Mrs Roberts

Robins Classteacher
