

Dear Puffins Class

We are really looking forward to seeing you all in September. You will each bring something unique and special to our new class.

It's a really exciting time coming back to school after the Summer holidays, but we understand that it can also make you feel a little nervous too. This year, you have had a particularly long time away from school, however we will be here to welcome you back, help you and guide you with any new routines.

In Puffins Class we all work together as a team, helping each other. The teachers are: Mrs McKinney on Mondays and Mrs Phillips from Tuesday to Friday. Our teaching assistant is Mrs Fenwick.

We love PE and in the Autumn term is one of our favourites - Orienteering. We also take part in the "John Muir Discovery Award". This is about nature and conservation, and we think you will all enjoy being involved in the project.

This year, we have not been able to have our transition day, so we have included some activities we were planning on you being involved in. It would be lovely if you would like to try them at home and email them to us

at Class4Puffins@trefonen.shropshire.sch.uk or bring them in during your first week back.

1. Draw, then paint (using watercolours or colouring pencils) a self-portrait and write your name really clearly on it. We will then make them into a display, to celebrate our new class in September.
2. Create a 'logo' and 'motto' for our class. It must include a picture of a Puffin, but the rest is up to you and your creativity!

Please use your Trefonen School bag, which you used in Wrens Class. You will use your bag to bring your reading book, reading record and homework books to and from school. These will be given to you during your first week back.

You have a peg to hang up your coat and PE kit (in our cloak room) and a tray for your books (in class). There will be an update about PE kits on the school website. This year you will not need your own pencil case, we will provide you with everything you need.

We look forward to seeing you in September, enjoy your Summer holiday.

Best wishes and take care

Mrs McKinney, Mrs Phillips and Mrs Fenwick
